The open concept kitchen is right here as well, sporting a beautiful "must see" antique stove

that's been refurbished/re-nickeled, plus a built-in oven & matching character cabinets with soft close drawers and pull out pantry shelves, making it a kitchen that will delight any family chef! There is also a generous Rec. room located just off of the great room space, which will be a hit for that ping pong or pool tournament. The utility room is also found here for easy access to the systems! Wander down the hallway to find handy main-floor laundry, a 4 pc. bath and 3 bedrooms, all with characteristic log appeal. The primary bedroom is spacious and offers a walk-through closet to a 3 pc. separated ensuite. Take the custom and crafty spiral staircase upstairs to a large loft c/w with office space and 2 additional bedrooms. Head down this hallway, and there is a small deck, accessible for stargazing or refereeing the back yard games from above!
