Residential on 0.26 Acres

SW Hill, Medicine Hat, Alberta

Located on a triple lot on historic first Street, is this stunning mid-century home. This home has been professionally renovated throughout to blend modern conveniences with classic mid-century charm. Upon entering the home you will be instantly impressed with the 14' feature wall to one side and an impressive chandelier above. The open-concept design features soaring vaulted ceilings, and hardwood floors. The new windows on the main floor allow the natural light to flood in, creating an inviting, bright and airy atmosphere.

The kitchen is a chef's dream with a gas stove top, two ovens, and two refrigerator-freezers. There is a massive quartz island that seats up to 8, and plenty of custom cabinetry, so storage space is at an abundance. Spend cozy evenings sitting by the 3-sided fireplace or enjoy music throughout the home with the wired-in Polk speaker system on both the main and lower levels.

The upper floor features 3 bedrooms 2 bathrooms and the laundry.

The master suite is a true retreat with its walk-in closet with built in dressers and direct access to the back deck and hot tub. The 4 piece ensuite features a free standing tub, a large glass door shower, double sink custom vanity and a separate water closet.

The fully finished lower level of this stunning mid-century home offers an abundance of space and functionality. It features a spacious

bedroom and a full bathroom, providing comfortable accommodations for guests or family members. The family room is perfect for relaxation or entertaining with modern electric fireplace , and the versatile flex room can be tailored to your needs—whether as a home office, gym, or playroom. Additionally, the basement includes a convenient boot room with ample storage and a separate storage room, ensuring that all your belongings have their place. This well-appointed basement truly enhances the livability and versatility of the home.

There are many thoughtful and impressive features in this house, including the custom built stair railings and designer lighting throughout, that need to be seen, to be appreciated.

The newly fenced yard, adorned with mature trees, offers a private park like oasis. Modern upgrades include a 25 panel 11.25 kW solar system, central vacuum, and a tankless hot water system. The forced air furnace, central air conditioning and spray foam insulated crawl space ensure comfort throughout the year.

Safety is prioritized with a Ring doorbell camera and rear motion sensing Ring security camera.

Don't miss the walk-up basement entry, providing additional convenience and potential for various uses.
