Entering the front door, you'll immediately notice the gorgeous Tanzanian Maple Hardwood floors - this high-end flooring flows through the main level (excluding 1½ bath and mudroom which are tiled) and up the staircase into the primary bedroom and walk in closet. fireplace. Finishing off the main level is a ½ bathroom and a very large dining room (currently used as second office). The double French doors to the bright main floor office/den provide privacy when needed. Upstairs you'll enjoy relaxing in the beautiful and massive carpeted bonus room which overlooks the courtyard and hot tub area. The huge master bedroom is bright and airy with room for a king sized bed as well as a sitting area and boasting a 5 piece ensuite and walk-in closet (RI behind wall for F/P). Completing the upper level are 2 large additional bedrooms (carpeted), full bathroom (tiled) and conveniently located laundry room. The backyard is very private and offers oodles of sunshine. Boasting stunning Apple Columnar trees that flower beautifully in April/May, Sky Rocketing Junipers, flower beds, a privacy fence between one side and a hot tub to just relax and enjoy!! The backyard also features RV or tenant parking. There is a man gate to walk through and a gate that can be opened to park a larger RV. A small shed provides additional storage.
