4 Bedroom, 2.00 Bathroom, 1,753 sqft  
Residential on 3.53 Acres

NONE, Rural Mountain View County, Alberta

Tucked just off the quiet country road, this charming 1927 homestead offers a timeless blend of heritage and functionality. Set on 3.53 acres, the property welcomes you with mature trees, open skies, and a sense of calm that only rural life can offer.

The 1659 sq ft farmhouse has been lovingly updated while keeping its country character intact. With one bedroom on the main level and three more upstairs, thereâ€™s space for family or guests while maintaining the cozy charm of a true country home. The main floor also features an upgraded laundry room with newer appliances. The primary bedroom and two additional bedrooms are located on the second floor along with a renovated spa-like 4 piece bathroom. Original touches pair beautifully with modern upgrades, offering the best of both worlds. The partial basement is an immaculate, clean crawl space and utility room with access from within the house or a separate entrance from the outside.

Outdoors, the property is clean, well-cared for, and thoughtfully laid out. A beautifully preserved 50â€™ x 30â€™ red hip-roof barn, believed to be near the same vintage as the home â€™ stands proudly, updated with a metal roof and siding. A new staircase and landing provide easy access to the second floor, opening up a world of possibilities for storage, a workshop, or creative space.

Nearby, you'll find a bright 18â€™ x

13â€™ x 30â€™ studio building, an oversized 30â€™ x 16â€™ single garage, a chicken coop with a secure pen, and two fully fenced pastures â€” each approximately an acre â€” ready for livestock or hobby farming. There's also a fenced garden area and nearly an acre of grass and trees for kids to play, dogs to run, or quiet moments under the open sky. Two wells serve the property â€” one potable near the home, the other on the eastern boundary, ideal for watering animals. Whether you're looking to raise a family, run a hobby farm, or simply enjoy space and peace, this acreage offers the lifestyle and setting to make it happen.
